## smart PTZ

Hikvision Lightfighter series DS-2DF6236V-AEL smart PTZ Dome Cameras are able to capture high quality images in intense light source environment. Embedded with 1/2.8" progressive scan CMOS chip makes ultra WDR (140dB) and 2MP real-time resolution possible. With the 36X optical zoom Day/Night lens, the camera offers more details over expansive areas.

The Lightfighter PTZ camera also features a wide range of smart functions, including face detection, intrusion detection, line crossing detection and audio exception, benefitting users with great improvement on security efficiency, more importantly, with key events / objects being recorded for further forensic needs. These features, combined with smart tracking, which enables the camera to detect any progressively moving object and follow it within the camera's area of coverage without fault. Smart Defog and HLC/BLC are further supported to improve image quality in challenging conditions.
